

## Funtasticks Tucson adds Cactus Springs Water Attraction

### IMMEDIATE PRESS RELEASE

Tucson, AZ – June 13th, 2018 – Funtasticks Family Fun Park in Tucson, Arizona, which is owned and operated by ProParks Management of Orlando, Florida has announced the addition of Cactus Springs interactive waterplay attraction to the property set to make its first “splash” late June 2018.

Cactus Springs water play structure has multiple levels, features colorful water slides and multiple gigantic tipping buckets that dump 1,000 gallons of water every 10 minutes on funseekers at the park. The new structure also has bubbler jets, water wheels, water curtains, and waterfalls which are all perfect for children and families to enjoy together.

“Cactus Springs is an amazing new water attraction that guests will love and are sure to get wet,” said Funtasticks General Manager Bill Pegg. “It will add an interactive family friendly attraction to “beat the heat” and compliments the excitement of our kiddie land rides, go-karts, arcade, laser tag, bumper boats and the “clean-safe-fun” experience we provide to each of our park visitors.”

Beat the heat this summer with the ALL NEW “Cactus Springs” at Funtasticks Family Fun Park in Tucson, Arizona. Visit [Funtasticks.com](http://Funtasticks.com) for more information. Additionally, for your next group or private event, please contact:
